

# SYSPRO UPlift creates a positive real-world impact

by focusing on Skills Development, Community Support and Environment.

## Community Support

### Restoring communities with Gift of the Givers

SYSPRO employees donated to Gift of the Givers to supply necessities and food to communities affected by the violent looting and burning of major supplier warehouses and stores in Pietermaritzburg and Durban in July 2021.

Supplied necessities and food

Our UPlifters further collected funds to assist SYSPRO employee family members who were affected by the KZN riots.

### Response to KZN floods

SYSPRO UPlift donated to Gift of the Givers to assist KZN communities who were affected by the floods and rainfall in April 2022.

Donations continue with hot meals, blankets, clothes, and other requirements.

### Christmas cheer in Halifax, Toronto and Vancouver

SYSPRO UPlifters donated Christmas cheer for kids in families that need the generosity.

### Feeding communities with Chefs on Main

SYSPRO donated a portion of the staff meal funds to feed underprivileged communities

### Food for PAWS R US SA rescue dogs

Our UPlifters generously donated **WUMA dog food** to assist PAWS R US SA dog rescue home.

## Environment

### Protecting a species with The Owl Rescue Centre

Our UPlifters have contributed to **conserve endangered species** at the Owl Rescue Centre.

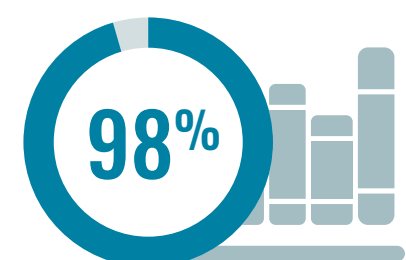

## SYSPRO's internship programme

SYSPRO's internship programme contributes to skills development and enables graduates to bridge the gap between theoretical knowledge and workplace experience.

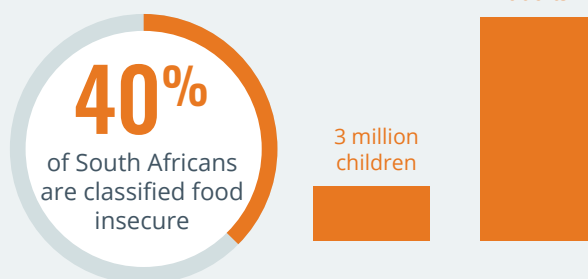

## Skills Development

We have maintained a **internship placement success rate** in the last three years.

### Feeding the nation with Chefs with Compassion

Weekly hunger experience

Our UPlifters, partners, and customers particularly in the food and beverage industry are committed to providing CWC with the tools, resources, and food to help them meet their goal of distributing 100 000 meals a week.
